This free game is supported by ads. It is possible to buy these packages:- Coin Pack 50 with 50 Coins-Coin pack 100 with 100 coins- All Unlimited PackCo pound packs increase the amount of coins for once around 50 / 100 coins. A coin can be used once to continue at that level if the ball falls into a hole. Buying a coin pack also removes any in-game advertising. This ad-provisioning only works on the device where you purchased the coin packages, as these packages are packages that need to be consumed and not transferable to other devices due to technical limitations. The Unlimited package opens all levels of the game, giving you unlimited coins to continue during a game and and all advertising permanently on any device with your account where you install the game. Everyone should make his game GDPR compatible, so we did. Nothing has really changed for you, but you have to accept our data security policy and choose some kind of ads when the first start of the game.
